## SUMMARY

Frontend Developer

Motivated Frontend Developer with expertise in building responsive and user-friendly web applications using **HTML, CSS, JavaScript, React, and Tailwind CSS**. Skilled in **database management (MongoDB, MySQL)** and proficient with **version control (Git, GitHub)** for collaborative development. Recognized for strong **problem-solving, leadership, and communication skills**, with experience coordinating outreach and discipline programs. Passionate about leveraging **AI tools and prompt engineering** to create innovative digital solutions. Committed to continuous learning and contributing to high-quality, scalable projects that drive real impact.

## EXPERIENCE

Web Development Intern

Aug 2025 – Sept 2025

Elevate Labs

- Successfully completed a Web Development Internship, contributing to real-world projects.
- Applied problem-solving and analytical skills to deliver tasks with professionalism.
- Gained hands-on experience in web technologies while collaborating in a practical work environment.

Outreach Coordinator

NavGurukul Foundation For Social Welfare

September 2024 – January 2025

Engaged with over 100 students and promoted the organisation’s mission through strategic communication and community outreach.

## EDUCATION
